NORTHERN DIVE SITES HIGHLIGHTS

This itinerary has it all... A great combination of the best and most famous wrecks in the north along with spectacular wall dives and stunning reef dives.

Thistlegorm Wreck

The famous SS Thistlegorm World War II wreck is one of the highlights of this cruise. The SS Thistlegorm sunk in 1941, having been bombed by the Germans while on a mission to deliver a cargo of trucks, motor bikes, ammunition and war materials to the British troops in North Africa.

Ras Mohammed National Park

Ras Mohammed has been described as one of the best diving sites in the world. Located at the tip of Sinai, famous for its breath-taking walls rich in soft and fan corals and populated with huge shoals of fish. Nutrient-rich sediments from the Gulf of Aqaba attract many fish species and also feed the coral polyps creating a paradise for divers.

Abu Nuhas Wrecks

Dive the famous wrecks of Abu Nuhas, the Ships Graveyard. This reef lies close to the ship-lane toward the Suez Canal and has claimed more ships than any other in the Red Sea. The wrecks are very scenic, covered in corals and they are fantastic for photography, especially the Carnatic, having sunk in 1869.
